Import services. Our round-the-world flight provides next-day service from most of Asia Pacific to Western U.S. and Canada.

Flexibility. Lots of choices. For example, if you have heavier shipment (50 kg to 1,000 kg), CanGift members can reach out to the DHL sales contact below for specialized heavyweight rates up to 75% savings or more.

Market-leading, next-day service. Ship overnight in more Asian and U.S. markets.

Exclusive rates. CanGift members receive 65% off our published tariff on all of our international products.
