Appropriate protective footwear is required at EVERY Alberta Gift + Home Market at ALL times during move-in and move-out.

It's the law!

In accordance with the Occupational Health and Safety Act, the Alberta Gift + Home Market requires that all reasonable steps and precautions are taken to protect the health and ensure the safety of all persons involved in the production of its shows. Preventing injury is a key objective; accordingly, every possible measure is taken to provide a safe, healthy work environment. To succeed, these safety initiatives require that every Exhibitor assumes responsibility for helping meet this objective. Exhibitors must, therefore, carefully read the applicable sections of the Occupational Health and Safety Act, in order to fully understand their responsibilities as they apply to themselves and their workers while at the show, including all activities within their own booth areas. For more information on the Act, visit the Occupational Health and Safety Act, Regulation and Code at humanservices.alberta.ca/working-in-alberta/307.html

All persons involved in the move-in/move-out process (i.e., setup and tear-down of a trade show) **must be properly dressed and equipped to work safely in specific areas of the show** deemed by the Act, or by an on-site Safety Inspector, as an 'industrial' environment which may involve the use of heavy equipment (forklifts, etc.), as well as 'overhead activities' (hanging signs, lights etc.). These areas, including areas in and around booths, may be marked off with safety cones or caution tape. Only persons wearing hardhats and safety shoes will be permitted into these areas until all work is completed.

Working in sandals/flip-flops/open-toed shoes/bare feet, etc. is strictly forbidden on the show floor. Any individual wearing inappropriate footwear will be prevented from entering the show floor by Alberta Gift + Home Market security.

HELP US ENSURE EVERYONE INVOLVED IN THE CanGift ALBERTA GIFT + HOME MARKET IS SAFE & PROTECTED!
