## VALUATION COVERAGE

This freight rate is based on carrier liability of \$2.00 per lb. We do offer additional insurance if necessary.

SELECT HERE IF YOU REQUIRE ADDITIONAL INSURANCE COVERAGE ON YOUR SHIPMENT

\$ \_\_\_\_\_ CAD total valuation of freight.

## TERMS & CONDITIONS

- Freight rate is based on dock-to-dock service, no appointments, live load/offload Monday-Friday 9am-5pm and carrier availability.
- Our estimate includes fuel costs, which will be adjusted to reflect the current fuel surcharge rate on the date of the pickup service.
- Please note for LTL shipments 15 minutes are given free for loading/unloading. For FTL shipments one hour is given free for loading/unloading, after that waiting time applies.
- This freight rate is based on carrier liability of \$2.00 per lb. We do offer additional insurance if necessary. Please do not hesitate to contact us for more information. Multiple variables can affect transit times. Delivery times are an estimate only and not guaranteed.
- Tax is additional.
